

## **Jeweler Apprenticeship**

Mignon Faget is looking for individuals who are interested in starting a career in the jewelry industry. For over 50 years Mignon Faget has been producing timeless jewelry design deeply rooted in the culture of New Orleans. We have positions for the inexperienced self-starter where we will teach you the skills necessary to become an essential part of our team.

This is a full-time paid apprenticeship program, during which the apprentice will be trained in multiple aspects of the jewelry production process. After this training period and upon approval from a review, this position will lead to a promotion to full-time bench jeweler.

### **Learning and Development:**

- Participate in training sessions with our qualified team of jewelers.
- Develop the technical skills that are used in jewelry fabrication and assembly.
- Training involving the use of hand tools, flex shafts, bench grinders, and polishing motors.
- Learn how to solder, polish, laser weld, plating, stone setting, mold making, and other elements of jewelry production.
- Develop an understanding for the standards of quality.

### **Requirements:**

- Must be able to commit to at least 1 year of training
- Must be able to commit to a 40 hour work week, Monday-Friday
- Must have a desire to learn new skills
- Must have a high level of attention to detail
- Must be able to communicate clearly in a team environment
- Must be able to learn in a fast-paced environment and remain flexible
- Must be able to adhere to deadlines
- Must be able to perform repetitive tasks

### **Benefits after 3 months:**

- Eligible for medical benefits, Health, dental, and optical
- Eligible for 401k
- Paid vacation
- Paid holidays
- Generous employee discount
